Re: *Algonquin Gas Transmission, LLC* – AIM Project
Docket No. CP14-96-000, Notice of Commencement of Service

Dear Ms. Bose,

On March 3, 2015, the Federal Energy Regulatory Commission (“Commission”) issued an order in the above-referenced docket authorizing Algonquin Gas Transmission, LLC (“Algonquin”) to construct, own, operate, and maintain the Algonquin Incremental Market Project (“AIM Project”).¹

On October 28, 2016, the Commission issued authorization for Algonquin to place AIM Project facilities into service that will be utilized to provide 245,000 Dth/d of incremental firm transportation service, out of the total AIM Project capacity of 342,000 Dth/d.² Pursuant to Section 157.20(c)(2) of the Commission’s regulations,³ Algonquin hereby provides notice that service commenced on the authorized AIM Project facilities on November 2, 2016.

Should you have any questions, please contact me at 713.627.5113.

Sincerely,

Chris Harvey
