September 16, 2016

Dear Resident,

We want to provide you with an update of the Algonquin Gas Transmission, LLC ("Algonquin") construction activities in your area. The current schedule is as follows:

September 13th – 27th – Pullback preparation.
September 28th – October 1 – Pullback.

Algonquin has instructed its contractors to return to pre-pull back operating procedures, which results in routing trucks to the entrance off Broadway. Traffic on 9th Street will be limited to light pick-up trucks or emergency uses. Our Right-of-Way team will continue to have a presence in Verplanck during the day and the overnight.

Please note that once Algonquin begins to mobilize for the pipe pull-back, we will need to use 9th Street for access to our work area. We will provide advance notice before this occurs.

If you have any questions, comments or concerns please feel free to contact our landowner hotline (866) 873-2579 and an agent will be assigned to your call.

Regards,

A handwritten signature in black ink that reads "Martin J. McCarthy".
